Activity Volunteer Registration Form 2011-2012 (I-CHAT)

Volunteers are a vital part of the successful operation of our school system. Without volunteers, many of the school, classroom, and extra curricular activities could not exist or even happen. We thank all of those individuals who have and continue to devote their time and energy to making our schools a better place by volunteering their time. However, with all of the issues related to school and student safety, we are going to have to do background checks on volunteers who chaperone or participate in activities in our schools.

In an effort to insure security for our children, first, we are requiring that we have a "Volunteer Registration Form" on file for all volunteers for specific activities (i.e. coaches, chaperones on field trips, chaperones at dances, room mothers, helpers for parties, etc.). For these activities, the district will conduct an Internet background check through the Michigan State Police. **All information will be kept CONFIDENTIAL.**

If you have any questions regarding this form, please feel free to contact the Superintendent's office at (586) 727-3565 ext. 6002. We appreciate your valuable time as a volunteer.
